

Professional Firefighters Association of New Jersey, AFL-CIO
ALUMNI ASSOCIATION

Dominick Marino, President
Robert Mahan, Director

Stay in Touch and Involved – Join the PFANJ Alumni Association

For those of you either considering or already retired from “The Job” it is our sincere wish that you make the very best of and enjoy your new found and well deserved quality of time with your family, friends and pursuits often put on hold for duty and honor. However, before you “take up” please always remember the diligent efforts of your union in expanding, preserving and protecting the benefits and working conditions that not only got you to this point but will support all your future endeavors.

Each and every day our wages, benefits, working and health and safety conditions are undermined or under attack. The cost of securing that which we enjoy today much less preserving it in the future is a never ceasing and costly responsibility. During your career you never left your responsibility to anyone else- **Don’t start now!**

Stay in touch with your union, and actively involved in legislative affairs that affect your active and retired Brothers and Sisters by joining the **PFANJ Alumni Association** today. Annual membership fee is \$50.00.

The initial year each alumni receives a car plaque, window decal and subscription to "*All Hands*" the official newspaper of the PFANJ.

Each subsequent year upon renewal of annual membership you will receive an alumni decal and continued subscription to the PFANJ newspaper.

PLEASE DETACH AND RETURN THIS FORM TO PFANJ ALUMNI ASSOCIATION
