Support the Fund that Supports Our Widows and Children

NJPF Bravest Relief Fund is a charitable fund supported by tax deductible gifts and contributions established to aid the surviving families of career professional firefighters who make the Supreme Sacrifice in the performance of their sworn duties protecting the lives and property of the Citizens of the Great State of New Jersey.

Gifts and contributions that will benefit the widows and children of our firefighters who pass in the line of duty are profoundly appreciated and rewarded depending upon the type and amount thereof. Special events, plaques, certificates of appreciation, ads in our journals and signs at our events are typically employed to recognize the generosity of individuals or concerns making significant endowments.

For further information relative to making a contribution, please contact: New Jersey Professional Firefighters Bravest Emergency Relief Fund, 24 W. Lafayette St., Trenton, NJ 08608
